Science and Technology Advisory Panel

STAP-0023-82
2 September 1982

MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: Invitation to Meet with the DCI
Science and Technology Advisory Panel

1. Action Requested: You are invited to meet with your Science and Technology Advisory Panel (STAP) on Wednesday, 15 September 1982 from 1400-1500 in Room 1S06, Community Headquarters Building. I would also like to meet individually with you in a follow-up meeting, in your office, during the week of 20 September 1982 to report to you the overall results of the STAP meeting and to discuss future panel activities. [REDACTED]

2. Background: The plenary session to be held on 15 and 16 September 1982 is one of the regularly scheduled quarterly meetings of the STAP. Although the agenda and schedule of briefings is not yet firm, this meeting will focus on important intelligence issues such as high energy lasers, electronic warfare and research and development efforts on small, low cost intelligence systems. A current membership list and a summary of the STAP mission and functions are provided herein. If you have any questions please contact me [REDACTED]. Additionally, the Panel's Executive Secretary, [REDACTED] is available [REDACTED] to provide you or your immediate staff any additional information you require. [REDACTED]
